

Early Years Foundation Stage Support and Training

This service aims to provide comprehensive support and guidance to Early Years Foundation Stage (EYFS) teams specifically to:

- support schools in fulfilling their legal responsibilities, and ensure they are kept regularly updated
- develop the knowledge, skills and understanding needed by EYFS staff in fulfilling their roles and responsibilities
- keep Head Teachers and EYFS Leaders informed of current legislative changes and educational developments that may affect their work

The service is offered at one of two levels: Superior and Basic. Each service is a school package. The level to be purchased should be determined by the EYFS Leader in consultation with the Head Teacher according to their development and support needs.

Superior Service includes:

- all EYFS Head Teachers and Leaders Mail outs (e.g. EYFS alerts and EYA updates; Nutshell, progress guidance)
- log in access to the EYFS webpage with document uploads
- a half day advice and support visit
- free places to all Head Teacher and EYFS Leader briefings
- free access to all EYFS Leader Networks
- free access to all EYFS briefings and training aimed at schools
- if additional events occur at a cost to Maintained schools (e.g. Annual conference) you will be charged the same as Maintained schools
- comprehensive telephone and email service for advice and support during office hours

Basic Service provides:

- all EYFS Head Teachers and Leaders Mail outs (e.g. EYFS alerts and EYA updates; Nutshell, progress guidance)
- log in access to the EYFS webpage with document uploads
- free places to all Head Teacher and EYFS Leader briefings
- comprehensive telephone and email service for advice and support during office hours

Additional services available for purchase:

- EYFS self evaluation and action planning
- In house training and advice
- EYFSP Summer 2017 moderation visit and report
