8 Statement

This notice is given in relation to the building work as described, is submitted in accordance with Reg. 13
Name: _____ Signature: _____
Date: _____

Notes

1. **The applicant** is the person on whose behalf the work is being carried out, e.g. the owner of the building.
2. Only one copy of this notice should be completed and submitted.
3. Where the proposed work **includes the erection of a new building or extension** this Notice should be accompanied by the following:
 - 3.1 A block plan to a scale of not less than 1:1250 showing:-
 - 3.1.1 The size and position of the building, or the building as extended, and its relationship to adjoining boundaries;
 - 3.1.2 The boundaries of the curtilages of the building, or building as extended, and its size, position and use of every other building or proposed building within that curtilage;
 - 3.1.3 The width and position of any street on or within the boundaries of the curtilage of the building or building as extended;
 - 3.1.4 The provision to be made for drainage of the building or extension.
 - 3.2 Where it is proposed to erect the building or extension over a sewer or drain shown on the relevant map of public sewers, the precautions to be taken in building over a sewer or drain.
4. Where the proposed work involves **the insertion of insulating material into the cavity walls** of a building this Notice should be accompanied by a statement indicating:
 - 4.1 The name and type of insulating material to be used;
 - 4.2 Whether or not the insulating material is approved by the British Board of Agreement or conforms to a British Standard specification;
 - 4.3 Whether or not the installer is a person who is the subject of a British Standards Institution Certificate of Registration or has been approved by the British Board of Agreement for the insertion of that material.
5. Where the proposed work involves **the provision of an unvented hot water storage system**, this Notice should be accompanied by a statement indicating:
 - 5.1 The name, make, model and type of hot water storage system to be installed;
 - 5.2 The name of the body, if any, which has approved or certified that the system is capable of performing in a way which satisfies the requirements of Part G of Schedule 1 to the Building Regulations 2010 (as amended);
 - 5.3 The name of the body, if any, which has issued any current registered identity card to the installer or proposed installer of the system.
6. **Persons carrying out building work** are required by the Building Regulations to give at least two days notice of the intention to commencement of the work, (which we request in writing).
7. A **fee is payable** in respect of assessment of the details contained within the Notice and inspection of the building work. This fee, (known as the Building Notice Charge), is paid at the time of submission of this Notice and covers all necessary site visits until satisfactory completion of the work in accordance with the Building Regulations. **Please note that Building Regulation fees are not generally refundable.**
 - 7.1 The Building Notice Charge is calculated in accordance with the current Building (Local Authority Charges) Regulations. Details of the fees payable is available from the Civic Centre, Poole, Dorset, BH15 2RU.
 - 7.1 Schedule 1 describes the Building Notice Charge payable for small domestic buildings, (dwellings up to 300m² floor area, or three storeys high);

Schedule 2 describes the Building Notice Charge payable for extensions to a dwelling house, (up to 200 m² floor area), and the addition of a garage or carport.

Schedule 3 describes the Building Notice Charge payable for all other building work.
 - 7.2 **Payment** - Cheques should be made payable to: **"Borough of Poole"**. Other payment methods that we accept are:- cash or debit/credit card (in person at the Civic Centre or telephone 01202 633250).
8. Subject to certain provisions of the Public Health Act 1936 owners and occupiers of premises are entitled to have their private foul and surface water drains connected to public sewers, where available. Special arrangements apply to trade effluent discharge. Persons wishing to make such connections must give at least 21 days notice to the local statutory undertaker.
9. **These notes are for general guidance only**, particulars regarding the submission of Building Notices are contained in the Building Regulations 2010 (as amended) and in respect of charges, in the Building (Local Authority Charges) Regulations.
10. Persons proposing to carry out building work or to make a material change of use of a building are reminded that permission may be required under the **Town and Country Planning Acts**.
11. **Further information** and advice may be obtained from Building Consultancy Services in respect of Building Regulation applications and Planning Design and Control Services in respect of Planning requirements.
12. Under the requirements of the Building Regulations this Building Notice shall cease to have effect from three years after it has been given to the local authority unless the building work to which it relates has been commenced before the expiry of the period.
13. The term '**competent person**' means a person or company that is registered with a competent persons scheme in respect of a number of specific work areas, including electrical installation work. To achieve membership a formal registration and assessment of competency will be made by the competent person scheme operator.
