What is it?

A neighbourhood forum is a formally recognised group, made up of key representatives from a defined geographical area.

PQF was established in July 2012.

It became a legal entity July 2013.

Why?

The Localism Act 2011.

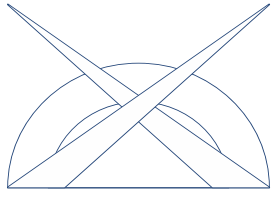

Giving communities new powers to shape development in their area.

Our area

The rationale for the designated area is that Poole Old Town and Hamworthy East neighbourhoods surround a large part of the major Regeneration area for Poole, including the former Power Station site, Carters Quay and West Quay Road.

Regeneration will result in a significant number of additional households - neighbours, joining the area. It is essential that the developing Regeneration neighbourhood becomes an integral part of the wider community.

Welcome to Poole Quays Forum

Poole Quays Forum was established in July 2012 and is made up of people who live and work in Poole Old Town and Hamworthy East. Our aim is to improve the social, economic and environmental well being of the area. We currently have about 90 members and associate members and we are open to new members. We meet 6 times a year and have an [active website forum](#).

Passionate about the area and interested in joining us?

The Forum meets every 8 weeks, during the week (either evening or around lunchtimes). We are also setting up working groups, who would be charged with specific topic areas and meet more regularly. If you would like to know more see [ABOUT US](#) or join us, please [CONTACT US](#).

Current Campaigns

We currently have 3 campaigns, more information and the web discussions can be viewed on the [FORUM](#):
